*Center for World Modernization Process, Peking University*

*Center for Comparative Studies of Modernization, Fudan University*

*Association for Modernization Study, China Society for Future Studies*

*Theory and Modernization Magazine*

### Dear Colleagues,

The 3<sup>rd</sup> International Modernization Forum: Modernization and Human Development (IMF 2019) will be held at China Hall of Science & Technology in Beijing, capital of China, in May 24-26, 2019. The China Center for Modernization Research of the Chinese Academy of Sciences, the Center for World Modernization Process of Peking University, the Center for Comparative Studies of Modernization of Fudan University, Theory and Modernization Magazine (Tianjin of China), and the Association for Modernization Study of China Society for Future Studies etc. are the co-sponsors of the IMF 2019.

IMF 2019 will focus on five themes: (1) Education Modernization and Human Development; (2) Science & Technology and Human Modernization; (3) Health Modernization and Human Development; (4) Ecological Modernization and Human Development; (5) Modernization and Quality of Life.

Up to now, Five invited keynote speakers have been confirmed: **Prof. Alberto Martinelli**: Professor Emeritus of Political Science and Sociology at the University of Milan, Italy; Former President of the International Social Science Council, UNESCO. **Prof. Jose Antonio Ocampo**: Professor of Professional Practice in International and Public Affairs, Columbia University, USA; Former Under-Secretary-General for Economic and Social Affairs of the United Nations. **Prof. Depei LIU**: Academician of the Chinese Academy of Engineering, former vice president of the Chinese Academy of Engineering. **Prof. Jinnan WANG**, Academician of the Chinese Academy of

Engineering and president of the Chinese Academy of Environment Planning. **Prof. Chuanqi He:** Academician of International Eurasian Academy of Sciences, the founder and director of China Center for Modernization Research, Chinese Academy of Sciences; the founder and chief of research group for china modernization strategy.

About 40 papers for IMF2019 have been accepted from about 80 submitted manuscripts based on the peer reviews of the Scientific Advisory Committee of IMF. The proceedings of IMF2019 will be published as *Global Modernization Review* (English) and *World Modernization Report* (Chinese) by Science Press in China.

The success of the 3<sup>rd</sup> IMF depends on a large extent on your contributions and active participation. We cordially invite you to attend the forum. We believe this forum will “open the way to significant international and interdisciplinary cooperation for the comparative analysis of modernization” in the future. Please find the further information from the website, and please let us know your comments if you will.

Best Regards,

Prof. Chuanqi He
